

Charging & Remissions Policy

Policy in place: March 2013

Policy reviewed: March 14/15/16/17/18/19/20; Nov 20/21/22/23

Review Date: November 2024

Statement of intent

Endon Hall Primary & Nursery School is committed to ensuring equal opportunities for all pupils, regardless of financial circumstances, and has established the following policy and procedures to ensure that no child is discriminated against by our offering of school visits, activities and educational extras.

In addition, we are committed to adhering to legal requirements regarding charging for school activities, and meeting all statutory guidance provided by the DfE.

The school will:

- Never charge for education provided during school hours.
- Inform parents/carers on low incomes and in receipt of relevant benefits of the support available to them when asking for contributions towards the costs of school visits.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance, including, but not limited to, the following:

- Education Act 1996
- Children Act 1989
- The Charges for Music Tuition (England) Regulations 2007
- The Education (Prescribed Public Examinations) (England) Regulations 2010
- Freedom of Information Act 2000
- DfE (2018) 'Charging for school activities'
- DfE (2020) 'Governance handbook'

This policy operates in conjunction with the following school policies:

- Compliments & Complaints Policy
- Debt Recovery Policy
- Freedom of Information Policy
- Freedom of Information Publication Scheme
- Finance Policy

2. Charging for education

We will not charge parents/carers for:

- Admission applications.
- Education provided during school hours, including the supply of any materials, books, instruments or other equipment.

- Education provided outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for by the school, or part of Religious Education (RE).
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless provided at the request of the pupil's parents/carers.
- Entry for a prescribed public examination, if the pupil has been prepared for it at the school.
- Examination re-sits, if the pupil is being prepared for the re-sits at the school.

The school may charge for:

- Materials, books, instruments or equipment, where the child's parent/carer wishes their child to own them
- Optional extras
- Music tuition (in certain circumstances)
- Certain Early Years provision
- Use of community facilities and other commercial activities
- Provision of information within the scope of freedom of information

The school will make it clear that, in certain circumstances, it will propose to remit (wholly or partly) any charge which would otherwise be payable to the school. These circumstances will be determined on a case by case basis and decisions will always involve representatives of the Governing Board.

3. Optional extras

Endon Hall Primary & Nursery School may charge for the following optional extras:

- Education provided outside of school time that is not:
 - Part of the national curriculum.
 - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school.
 - Part of Religious Education.
- Examination entry fees where the pupil has not been prepared for the examinations at the school
- Transport, other than that required to take the pupil to school or to other premises where the LA has arranged for the pupil to be provided with education
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils e.g. breakfast or out-of-school provision

When calculating the cost of optional extras, an amount may be included in relation to the following:

- Materials, books, instruments or equipment provided in relation to the optional extra
- Buildings and accommodation
- Non-teaching staff (including Inclusion Support Assistants)
- Teaching staff under contracts for services purely to provide an optional extra
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide vocal tuition or tuition in playing a musical instrument, where the tuition is an optional extra.

The school will not charge in excess of the actual cost of providing the optional extra divided by the number of participating pupils. A subsidy will not be charged for any pupils wishing to participate but whose parents/carers are unwilling or unable to pay the full charge. In cases where a small proportion of the activity takes place during school hours, the school will not charge for the cost of alternative provision for those not participating.

The school will not charge for supply teachers to cover for teachers who are absent from school accompanying pupils on a residential visit.

Participation in any optional activity will be on the basis of parental/carer choice and a willingness to meet the charges. Therefore, parental/carer agreement is a pre-requisite for the provision of an optional extra where charges will be made.

If a charge is to be made for a particular activity, such as optional extras, parents/carers will be informed of how the charge will be calculated.

4. Examination fees and resits

The school may charge for examination fees if:

- The examination is on the set list (which includes SATs), but the pupil was not prepared for it at the school.
- The examination is not on the set list, but the school arranged for the pupil to take it.
- A pupil fails, without good reason, to complete the requirements of any public examination where the Governing Board or LA originally paid or agreed to pay the entry fee.

Where a pupil is entered for a second or subsequent attempt at an examination, the school will pay the fee. Once pupils have left the school, resits must be taken at the school.

If a pupil or their parents/carers consider it to be in the best interests of the pupil to request that an examination is re-marked, any fees involved must be covered by the pupil or their parent/carers. If the awarding body changes the overall grade of the result, the school will not be charged by the awarding body and the parent/carers or pupil will have their fees refunded.

5. Voluntary contributions

The school may, from time-to-time, ask for voluntary contributions towards the benefit of the school or school activities. If an activity cannot be funded without voluntary contributions, the school will make this clear to parents/carers at the outset. The school will make it clear to parents/carers that there is no obligation for parents/carers to make a contribution.

Parents/carers will be notified regarding whether assistance is available.

No child will be excluded from an activity simply because their parents/carers are unwilling or unable to pay. If a parent/carers is unwilling or unable to pay, their child will still be given an equal opportunity to take part in the activity and the school will set out how places will be allocated from the outset. If insufficient voluntary contributions are raised to fund an activity, and the school cannot fund it via another source, the activity will be cancelled and this will be made clear to parents/carers.

The school will strive to ensure that parents/carers do not feel pressurised into making voluntary contributions. Measures which may make parents/carers feel pressured, such as colour coded letters and direct debit or standing order mandates, will not be sent when the school requests contributions.

6. Music tuition

Instrumental and vocal music tuition is an exception to the rule that all education provided during school hours must be free. The Charges for Music Tuition (England) Regulations 2007 allow for charges to be made for vocal or instrumental tuition provided either individually or to groups of any size – provided that the tuition is at the request of the pupil's parents/carers. The charges will not exceed the cost of the provision, including the cost of the staff providing the tuition.

Charging will not be made if the teaching is an essential part of the national curriculum.

Charging will also not be made if the teaching is provided under the first access to the KS2 Instrumental and Vocal Tuition Programme.

No charge for music tuition will be made in respect of pupils who are Looked After (LAC).

7. Transport

We will not charge for:

- Transporting registered pupils to or from the school premises, where the LA has a statutory obligation to provide the transport.
- Transporting registered pupils to other premises where the Governing Board or LA has arranged for pupils to be educated.
- Transporting pupils to meet an examination requirement when they have been prepared for the examination at the school.
- Transport provided for an educational visit.

8. Education partly during school hours

If 50 percent or more of the time spent on an activity occurs during school hours (including time spent travelling if the travel occurs during school hours), it will be deemed to take place during school hours and no charge will be made.

Whatever the start and finish times of the school day, regulations require that the school day is divided into two sessions. School hours will not include the break in the middle of the day.

If less than 50 percent of the time spent on an activity occurs during school hours, it will be deemed to have taken place outside school hours and the school may charge for the activity; however, the school will not charge if the activity is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of RE.

The remission of charges for board and lodging payments is the responsibility of the school. These costs will be borne by the school.

Any charges for extended day services will be optional.

9. Residential visits

The school will not charge for:

- Education provided on any visit that takes place during school hours.
- Education provided on any visit that takes place outside school hours if it is part of the national curriculum, part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
- Supply teachers to cover for teachers accompanying pupils on visits.

The school may charge for board and lodging – but the charge will not exceed the actual cost.

Parents/carers will be exempt from board and lodging costs if they can prove that they are in receipt of one or more of the following benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
- Working Tax Credit run-on – paid for four weeks after they stop qualifying for Working Tax Credit
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

The school will provide a form for parents/carers to submit and provide proof of receipt of one of the above benefit payments in order to be eligible for the exemption.

If the number of school sessions covered by the visit is equal to or greater than 50 percent of the number of half days (any period of 12 hours ending with noon or midnight on any day) spent on the visit, the school will not charge for the activity.

10. Damaged or lost items

The school may charge for the cost of replacing items that are damaged or lost due to the negligence or poor behaviour of pupils or their parents/carers. Parents/carers will only be charged the replacement cost to purchase the same or equivalent item. The school will consider waiving costs in exceptional circumstances e.g. financial hardship.

11. Remissions

The school will set aside a fund to enable parents/carers in financial difficulty to send their children on visits and activities. The funding will be limited and there is no guarantee that all requests can be met. Assistance will be allocated on a needs basis, and if the full cost of the educational visit or activity cannot be met through assistance funding and voluntary contributions, the educational visit or activity will be cancelled.

Parents/carers in receipt of any of the following benefits may request assistance with the costs of activities:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit, provided that they are not also entitled to Working Tax Credit and they have an annual gross income of no more than £16,190
- Working Tax Credit run on – paid for four weeks after they stop qualifying for Working Tax Credit.
- Universal Credit – if they apply on or after 1 April 2018, their household income must be less than £7,400 a year (after tax and not including any benefits they receive)

To request assistance, parents/carers should contact the Headteacher or School Bursar.

8. School visit refunds

All initial deposits for school visits will be non-refundable. Parents/carers will be informed of this when they are provided with the initial information about the visits.

In the event that the school has to cancel a visit due to foreseen circumstances, parental/carer contributions will be refunded. In the event that a school visit is cancelled by a party other than the school due to unforeseen circumstances, it is at the school's discretion as to whether a refund is given to parents/carers.

In the event that a pupil or their parents/carers cancel the pupil's place on a visit, it is at the school's discretion as to whether a refund is given. The school will take into account the reason for cancellation, whether the school will be reimbursed for the pupil's place on the visit, and whether the place on the visit can be offered to another pupil.

Where a pupil or their parents/carers have previously cancelled a place on a visit and received a full refund, the school will have the right to refuse to allow the pupil to attend future visits.

In the event that a pupil cannot attend a visit at the last minute, e.g. due to illness, it will be at the school's discretion as to whether a refund is given. The school will take into account whether the school will be reimbursed for the pupil's place on the visit and whether the place on the visit can be offered to another pupil.

In the event that a school visit is postponed due to unforeseen circumstances, it is at the school's discretion as to what happens with the parental/carer contributions for the visit. The school will consider its options, which could include carrying forward the money until the visit takes place, transferring the money to another visit, or refunding parents/carers.

In the event that the decision is made to postpone a visit due to foreseen circumstances, it is at the school's discretion as to what happens with the parental/carer contributions for the visit. The school will consider its options, which could include carrying forward the money until the visit takes place, transferring the money to another visit, or refunding parents/carers.

Once visit arrangements have been booked and confirmed, if contributions exceed the total cost of the trip, a refund will be given where the excess is greater than £1 per pupil.

The school will deal with cancellations and refunds on a case-by-case basis, ensuring that all pupils and their families are treated equally.

If a parent/carer wishes to make a complaint about refunds, they can do so via the Compliments & Complaints Procedures Policy.

13. Freedom of Information Policy and Publication Scheme

The school's Freedom of Information Policy and Freedom of Information Publication Scheme will set out where fees may be charged for the provision of information.

14. Monitoring and review

This policy will be reviewed annually by the Full Governing Board. The next scheduled review date for this policy is December 2025.
